“ I remember Mr. Korn and his brother going into my father (Harold Duncan's) law office many years ago. They both were the kindest, sweetest men, and always seemed to have a good laugh about one thing or another.

I am sorry for your loss, and just wanted to let you know that the Korn family is in my prayers.

“ Charlene and family, Sorry for your loss.

I am remembering all the good old days back at Central When we were young, not many cares, and all looking to the future. In the meantime, life happened. Where did the time go, Life seems to slip by too fast.

Here is hoping some of those memories are going thru your mind to lighten your heart at this time.
