

James "Jim" Law

March 23, 1965 - April 5, 2024

James "Jim" Law passed away on April 5, 2024. A beloved father, grandfather, brother, and friend, he will be deeply missed. Jim was a devoted follower of Christ, actively engaging with several churches in South Texas through prayer and mentorship.

Born on March 23, 1965, in San Antonio, Texas, Jim's roots remained connected to the city throughout his travels. In 1977, his family moved to South Carolina, where he completed his high school education. Following graduation, Jim joined the Air Force, serving a successful 20-year career and retiring as a Master Sergeant. While serving, he received multiple Commendation Medals and awards for Meritorious Service. His service took him to beautiful locations such as Key West, Monterey, and Spokane, with brief assignments in Panama, England, and the Middle East.

In 1993, Jim dedicated himself to Christ, spending his life sharing his beliefs and preaching the Gospel. He enjoyed connecting with people of all ages through Bible studies and fellowship.

After retirement, Jim worked in government contracts in San Antonio before discovering his true calling in the mission field. For the last eight years he has worked at To Every Tribe as a Risk Management Coordinator. He assisted

missionaries worldwide in settling into new environments, a long time goal he found deeply fulfilling.

In his leisure time, Jim enjoyed puzzles, quests, and mysteries of all kinds. He was a passionate fan of Abbott and Costello, The Marx Brothers, and blues guitar. Children adored him as "Mr. Jim," entertained by his playful songs, personalized stories, and inventive games. In 2018, he became "Grandad", a role he embraced with delight.

Jim was preceded in death by his parents, Margie and Darrell Christopher. He is survived by his daughter Rheannon (Charlie) Harris, brothers Bob (Bea) Law and Tommy (Elaine) Law, brother Stephen Morehouse, sisters, Julie Taylor and Melody Christopher, cherished grandson Ealey James Harris (named in honor of Jim), numerous aunts, uncles, nieces, nephews, cousins, and his extended family of brothers and sisters in Christ.

The family expresses gratitude to AdventHealth Waterman for their exceptional care and compassion shown to Jim during his final month.

“ *A good man who so truly loved Jesus Christ and is now sitting in the Lord's presence. God shared his wonderful life, fantastic smile, caring heart and amazing personality with those who were present wherever Jim went in life as he served the Lord Almighty!*

“ I am Jim's neighbor. I didn't know he passed away 😞. He was very friendly and stopped for a quick chat every time we ran into each other, he also attended my daughter's birthday party, sitting down with us for some pizza. I'll miss seeing him. My condolences to his family.

“ Brother Jim loved our Lord Jesus Christ and he loved the people around him. Jim treasured God's Word by hiding it in his heart. He enjoyed making kids laugh and knew how to tell good stories. The thing that I'll remember most about Jim is the joy that he had because he knew Jesus. Someone who met him could tell there was something different about him. It was the joy of the Lord.

“ Jim’s jovial attitude and smile were always an encouragement. His smile grew especially larger as we discussed our grandchildren. His sudden loss served as a reminder of the brevity of life. He will be greatly missed. Until we meet again my friend.....

“ Jim often expressed his gratitude for his salvation and gave praise to the Lord. He lived out Colossians 3:17 "And whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks to God the Father through Him." Countless times, working with Jim, I heard him say "how can I help? what can I do to be of service?" Jim will be remembered for his joyful attitude, humility, and heart for service. We rejoice for Jim in eternity with his beloved savior and pray that God's peace comfort Jim's family, friends, and colleagues.

“ I will miss Jim dearly. He was always part of our family, even babysitting and playing with our children when they were small. God placed Jim in our path in the early 90s when I was searching for God. I didn't know where to start in the Bible. Jim mentored and disciplined us through Bible studies and prayer which continued for decades every time we met up several times each year. Jim was very knowledgeable of Scripture and the three of us enjoyed this time of fellowship learning and growing in Christ. Jim was always willing to introduce us to his extended Church and missionary family. We met many precious brothers and sisters in Christ through his outgoing and caring, loving personality. Jim will always have a special place in my heart and I will never forget how he impacted my life and forever be grateful to God for placing Jim in our journey. All glory be to God the Father.

“ *I miss Jim a lot. He always knew how to make our kids laugh. And his presence could always lift the sadness from a room. I will miss his quick-witted jokes and his outgoing personality. He is the kind of person you instantly thought to ask for help with anything. He is an irreplaceable friend and team member in our organization. My condolences to Jim's family.*

“ *Other than my earthly brother, Jim was the closest thing to a brother to me. We would spend hours discussing the scriptures and praying together. Jim loved the Lord with all his heart, and would not hesitate to talk about him to anyone who would listen. The wisdom he had both from his job and from the scriptures were evident in everything he did. May Jesus Christ be praised in Jim's death as he was in Jim's life. He will be missed dearly, but our hope is to see him again because of Christ.*

“ My condolences to Jim's family. He will be deeply missed. He was always so full of life and a blessing to be around. He always had a smile on his face and was always willing to help. He asked if he could assist me with anything related to South America. At one of our meetings he even brought me books he thought Wycliffe could use. I am thankful for being his friend and look forward to seeing him again one day.

“ Jim was such a great co-worker and friend, and I'm so thankful to have known him. He would stop anything to help you. He was also incredibly generous with his time and money. One of the things you never doubted with Jim was his love for Christ. He wasn't bad at chess either. I was playing him once and he started telling me the names of all the moves I was making; it must have disappointed him that he was the only one who knew them. □ The last time I saw Jim in person he took me and a friend out to dinner to one of his favorite places. On the way to dinner, we listened to some interesting new music he had recently come upon. We had a good meal and good conversation. I'm saddened by the fact that I won't share another meal with him now but look forward to many meals to come on the new earth.

“ Jim was the most loving and caring man I've ever known. His love of Christ was contagious. It was not possible to spend any time with Jim without talking about Christ and praying for others to turn to Him for their salvation. He was always willing to lead a Bible study or discuss any and all things related to Christ. You were and always will be my brother. You are more than missed but I know you are now worshipping Christ in heaven.

“ Jim personified Proverbs 18:24 A man of many companions may come to ruin, but there is a friend who sticks closer than a brother. He was the first person there when you had a need and would sacrifice everything to make sure you were cared for. His tireless dedication to care for every missionary and staff person was beyond comprehension. In addition, he was always optimistic and positive, no matter how difficult things became. Serving along-side Jim in the mission of the the gospel was a true honor for me. I will miss him greatly.

“ Thank you, Lord, for the gracious gift of Jim Law to us-- for how you worked in his life and blessed others through him. We thank you for the joy and humor you gave him, the hearty laugh, and for the love that seemed to always shine from his face. We thank you for your Holy Spirit of comfort as we miss him. Father please surround his family and loved ones with that comfort of Your presence that gives a joy running deeper than the grieving, and a confidence that "underneath are the everlasting arms." O Lord, hold them up in unwavering faith and abounding grace not only now when the grieving is like a knife, but into the future. Father, we pray that the testimony of Jim's life, so well lived, would be a continuing light to his family and all who hear about his life and how You worked in and through him.
