“ *Jim and I were classmates in pilot training at Williams Air Force Base, Arizona in 1966. The last time i saw him was at one of our famous class reunions in St. Moritz, Switzerland. Our class has been a tight knit group for over 50 years, and we all mourn the loss of one of our own.*

“ Jim and I were pilot training classmates. It was always a pleasure to share time with Jim and listen to him to explain things to the younger classmates and to the instructors. Wish we had been able to share more. RIP old buddy!!!
