

James Robert Newbold

January 31, 1947 - February 6, 2022

After recently learning that he had pancreatic cancer, James (Jim) Newbold passed away at the age of seventy-five at his home in Garden Ridge, Texas, with family by his side. Jim retired as a Senior Master Sergeant from the United States Air Force after 26 years of dedicated service to his country. Following his Air Force career, Jim devoted much of his time to local Lions Clubs starting in 1988 through the day he took his last breath.

There is nothing he was not working on for the club every week of the year. As such he received the Lion of the Year award in 1991, Melvin Jones Fellowship 2006, District Governor's Appreciation Award 2007, Secretary's Excellence Award 2009, International President's Commendation 2009, and The Harry Reasonover Award 2018.

He had many other affiliations and service activities throughout his "retirement" including being a Shriner, performing free tax preparation for seniors through AARP, hearing screening for children, member of the GRCPAAA and Garden Ridge Parks Committee, plus many others too numerous to list. Jim truly lived to serve others.

Jim was a man of Faith who generously loved his family and cared deeply for many, especially his fellow Lions. His love and joy for life was appreciated by all who came to know him. Jim is survived by his wife Starlett, his daughter

Michelle and her husband Marty; his son Michael; a total of six grandchildren, and two great grandchildren. Jim was loved inside and outside the community, and will be missed by all.

“ *My fondest memory (there are many since we traveled through life together for over 30 years) was when Jim and my wife Pooh got into a snow ball fight a few weeks after he had a heart attack. Both were redheads and he literally started the ball rolling. My wife chased him down a snowy road. Star (his wife) made me drive after them and she got them to stop. I would have stayed inside and let them tucker each other out. They both were two peas in a pod and I love them both. I look forward to the time I cross the finish line and then I will throw a few snowballs with them. God bless us all. Lonnie R. P. Jepsen*
