“ James was one of my best friends. James had a big heart for all his friends, he and I worked a few years together as waiters at Marriot Rivercenter. In times of trouble in my life he was always. always there for me. You can say he was my brother in Christ. This is a major blow and loss for me and others who knew him. Luther Maddox

“ My friend James, I had the great honor of talking to James on Christmas Day in his hospital room for two hours. It was an amazing visit with James. I saw a side of James most people have never seen...I saw James cry and more than once. He shared some deep feelings about his past and told me He had regrets, don't we all. I shared the fact that we can't live in the past. The hardest person to forgive is ourselves I told him. Boy, we sure had some great times. If I had to do it all over again I wouldn't change a thing I told him. You, my friend James, were one of the best parts of my life. Amen and Amen. Man, I'm going to miss you so much. Your friend, Phillip Vidal.

“ My condolences to Mrs. Perales, Bobby, Margaret and the Garcia family. I have lost a brother; but the bond between us has not been broken because you will live in my heart forever. I was blessed with more than fifty years of friendship, what more could I have asked from you!

I always think of your wedding when I hear Etta James' signature song.

"At Last" you have gone home to Gina!
