“ *MiJo, You know you made me so happy when you would come by and check on how we were doing. Miss when you were a little boy and said, I want big muscles like Evey (me) That always made me laugh and I still think about that and how you said it . You always made me laugh when we were around one another. You always uplifted me when my spirits needed a lift. You were always there a phone call or text away and you would comfort me when I needed . You are a blessing to me and it was a privelage to of had you as a nephew and my friend. I am so proud of all you accomplished for such a young man and I'm glad I was able to tell you that. You are always in my thoughts and in my heart I will cherish the memories and treasure them always. We love you and miss you soo much!!*
