“ Dear Ben and family,
I was deeply saddened to hear of Jane’s passing. I have such dear memories of her as a mentor to me, teacher at OHT, and friend. She was always someone I could talk to and confide in. She is looking down on us and talking care of us. I wish I could be with the family, but please know that I am thinking about y’all and praying for you.
Much love, Chris (Echols) McCullough

“ We met Jane when we were blessed to have her as our children’s Kindergarten Teacher at Oak Hills Elementary. Nothing could have been comforting for us as young parents than to leave our children for the first time in Mrs. Horny’s care. Later, we participated in activities at St. Matthew with Ben and Jane. Fond memories of this special lady will always remain in our hearts. Prayers for the family. Love from Gorman and Louise Sekula❤️

“ Patricia - I remember meeting your mom in Hawaii when she and your dad came to visit. I think maybe for Elizabeth’s first communion. Your mom lived a long and productive life. I am sure she is now looking down on her family from Heaven. Prayers and thoughts are with you and your family.
