“ It is difficult to find words. Janelle was one of my oldest and dearest friends for over 40 years. We shared many good times together as well as a few bad ones. She was a very kind, loving and loyal friend who was always there when you needed her. I am truly saddened by her passing and she will always be in my heart. I am so glad that you were with her, Katy, and that she got to see the boys. My prayers are with you all.

“ Janelle always went out of her way, above and beyond, to show you how much she cared. I will always cherish our late night conversations and how she tried to make sure each day ended on a good note. Heaven gained an angel, and while I know many of us, especially her family, will miss her terribly, I hope all are able to find some peace knowing she is still watching over us all, making sure our day ends well. Aloha o'e my friend, until we meet again.

“ I met Janelle in middle school, we also went to high school together. She was always the life of the party. We last saw each other at our class reunion but spoke often on social media. She so loved her family and was a kind friend to many. You will be missed by all.

Prayers to her family and friends.

Janelle was such a wonderful and generous spirit. She inspired me by how gracious, loving, all giving and non judgmental she was. Whenever you saw Janelle you were greeted with that most magnificent smile! What a terrific human being. Blessings go out to Katy and her entire family. Courtney Cody

“ Dale and I send heartfelt condolences for Katy and all the family. Although, we never met this lovely lady- I know she must have been a beautiful person in every way- to have raised such a wonderful daughter as Katy. So saddened by this news- and prayers for Katy, Hunter, and their sons- who just lost their Mimi. No words are ever enough at a time like this.. Sending loving thoughts.
