# Tribute Wall

“ Mrs. Brandon was truly the kindest and sweetest ladies I have ever known and had the pleasure of working with her for over 15 years. When she would see me, it was always very pleasant and will never forget she would call me “Little Lisa”. Janette was one of the most hard working people who sincerely cared about the students in SAISD. Janette always kept incredible notes and records; If you wanted to know what changes had been made in our department, just ask Janette she kept a lot of paperwork.  
RIP Mrs. Brandon.

Always,  
Lisa Pacheco aka “Little Lisa”

“ *Janette Brandon was one of the kindest and sweetest persons I ever had the pleasure of knowing. She was also very funny and sharp witted and once shared a story that literally had 5 co workers falling out of their chairs at a resturant because they laughed so hard. Janette took her work very seriously and literally turned many young men and women's live's around. When most of us would have given up on a student, she went above and beyond to save them. She did so many wonderful things for others without every seeking acknowledgement or praise. Janette has been a dear friend for over 30 years and I will miss her every single day. We were all better people for knowing this special lady.*
