“ *Such a sweet Lady! Our visits were few, but she sure made a difference in my from the moment I met her. She gave me lots of spiritual advice as well as filled me in on who was who in the Dill family! I can't remember if she came to David's funeral or not but I remember her calling and saved her sympathy card! I wish we had stayed in touch! Sorry for the loss of this amazing Lady! Prayers and (((HUGS)))*

“ *I loved aunt Janie even though I didn't spend much time with her. I do remember a fun memory with her when I had come to a family reunion and she was there and we went to go tubing down the rapids. We had a good time. I was maybe 10-12 years old and I was on my tube heading right for her. I couldn't do anything because the current was going so fast and I ended up running right over the top of her. But she was ok and as far as I know she had a good time with us that day.*

I have missed her for decades. I live in the Dallas area and or Colorado. So we missed a lot of each other's lives. But I know she loved me and I love her. Always. 💔

“ She was one of the highlights of our childhood! Fun seeet Aunt Janie. She'd come pick my sister and me up in her little Volkswagen and we'd spend the weekend being treated like little princesses.. so many memories with her, even going to the coast with her and staying out so long we were suffering later all of us from sunburn! Looking forward to the great reunion one day when we see her again! Love you Duane and Noel!
