

## Janie Quiroz Figueroa

June 25, 1929 - June 6, 2020

Janie Quiroz Figueroa passed away peacefully on Saturday, June 6, 2020, after a very long battle with dementia. Janie was a few weeks short of turning 91 years old. She was born and raised in San Antonio, Texas and loved the Hispanic culture in her community. Janie worked many years at Kelly Air Force Base as a civilian and tremendously enjoyed her job in warehouse management and quality control. After retiring from Kelly, she immersed herself into numerous part-time jobs working to serve the community because she loved being around people.

The family is grateful to Dr. Rudolfo P. Zarate and Dr. Jason Mireles for her care. A special thanks to Sonterra Health Center for providing a five-star service during these last seven difficult years and Vitas Healthcare for their superb emotional and spiritual support. Most importantly, the family would like to give recognition and thanks to Pat Jablonski and Lea Garza for providing tender love and care on a daily basis in order to ensure Janie received exceptional care during these difficult times.

Janie was born to Esperanza and Casimiro Quiroz in 1929. She was preceded in death by her beloved husband, Rodolfo R. "Rudy" Figueroa; her first husband Richard Zule and their son, Robert Zule; her sister, Esperanza Martinez; and brother, Joe Gonzales.

She is survived by her devoted daughters, Carmen Saldana Martinez, Yvonne Saldana Rizzo (John) and JoAnn Seymour; her devoted sons, Richard Zule, Jr. (Theresa) and Alfred Q. Saldana; brother, Casimiro Quiroz, Jr.; grandchildren, Nuala Martinez, Richard Zule III (Marlene), Robert Zule (Maria), Jillian Seymour, Jisella Rizzo and Nikolay Rizzo; great-grandchildren, Richard Zule IV, Marissa Zule, Yareli Zule, Russell Zule and Yazmarie Zule.

Heaven now has a very energetic servant willing and able to throw a fiesta. Let the fiestas begin! It is not goodbye but see you later...

“ I didn't know Janie personally but i know her her son Alfred Saldana from our job at SWBC. I know when a mom has done a great job in raising her son because her son never is at a loss for words when talking about his mom..... he loves and cares for her even when she no longer is aware he is doing so..... he participates in getting others to assist if he is unavailable..... tears well up in his eyes at the thought of being on this earth without her physical presence..... he is proud to say how much he loved her and how much she will be missed..... he carries on and shares her Legacy of being a hard working, caring, and compassionate person. Everything she taught him to be. Janie - May The Good Lord Bless your Soul on your Journey Home to His Divine Eternity.

God Bless,

“ I remember this one time I stayed the night at Grandma Janie's house, I was maybe 7 or 8 years old. We got in bed after a fun filled night, and we started to hear scratching noises on the roof. Of course being a young kid I thought it was the cucuy. Grandma was a little freaked out as well so that didn't help. Lol. When we looked out the window it turned out only to be a little squirrel chasing another squirrel. Once we realized that we started laughing because we where so scared.

Love you grandma,
