*I am going to hold and keep all the beautiful memories and moments that we had deep in my heart. My dear grandmother who sacrificed and endured so much to give others love and kindness. Thank you for always loving me as you loved all of your family. I love you and I pray to see you again one day.*

“ I would like to share this. My name is Barbara G. I had the pleasure of meeting Ms Janie threw my best friend Sandy. Ms Janie accepted me and treated me in her home and family as if I was family right from the beginning. When we would see each other or on the phone, we would have great conversations for long periods of time. She worried about me and my family always and give me great advice. And I love her for that. She had the biggest heart. She will be missed dearly and will be in my heart always. My only regret is not going to visit and spend more time with her before Covid. And now she is with Our Lord. May he open his arms and welcome her to be with him and family. Ms Janie, love you always and you will be in my heart always. May you Rest In Peace. ♡♡♡♡♡♡♡♡♡♡
