“ Hey Jason it's your little sister Alyssa, I miss you so much. You'd be so proud of all of us and how much we have accomplished. I've been such a strong person and I'd have to thank you for that. I live my life thru you and thinking about what you'd do. I'm now 24 years old, last I saw you I was probably in elementary. All is well, I miss you and love you so much. I always think of you, can't wait to see you. I'm strong minded and outgoing just like you, and I've fallen in love with cooking and music, just like you...love you jay. You're incredible.
