“ *Please accept my sincerest condolences for your family's loss. Jay is an amazing human being. I know that many people are proud of his life accomplishments and he too was proud of himself. It is truly an honor to know him as a friend. He shared his life experiences with me a few years ago when I was going through a difficult season, and he said I'll pull through it, just like him. Jay S. Mejia, you are missed my friend and we are hurt by your loss, but we know you are in the hands of our Lord. Please bring peace and comfort for your family. - Juan Carlos Martinez*
