Jay William Spears, age 68, of San Antonio, passed away in the early morning hours of Wednesday, November 23, 2022, at Methodist Hospital Metropolitan, with his beloved daughter by his side. William was born on July 31, 1954, in San Antonio, to the late Norman Lewis and Wanda White Spears.

Jay followed his father into the automobile business, where he enjoyed several decades of success. He left the automobile business to become a professional hunting guide, where Jay found his happiest times. Working as a hunting guide, the enjoyment of meeting new people and being in the outdoors was where he thrived the most. Spending time with Jay was such a delight, he was a very selfless person, quick witted with great stories funny jokes, and a very proud and loving father were just some of the qualities of the to best describe Jay. The only time you could get Jay to talk about himself was telling all about his amazing daughter.

His family, friends, and those who knew Jay share about his infectious smile, and how easily he could make friends. Jay was one of the few people that made this world a happier place, and will be missed.

Jay leaves behind a legacy of kindness and dedication that will leave a void in the hearts of those he knew and loved.

Jay is survived by one daughter, Samantha Dalton Spears; one brother, Norman Spears, Jr., and wife Diggie; one nephew, Brent Spears; one niece, Chris Spears; his best friend in life, Teri Watts; and by a host of other relatives and very special friends.

He was also preceded in death by one brother, Don Spears.

At his request, the memorial will be a very small/intimate memorial in San Antonio at a close friends on Saturday, December 10th. His family and closest friends would like to express their sincere appreciation to the doctors and nurses at Methodist Hospital Metropolitan for making his final days easier. Please donate to any animal shelter in loving memory of Jay, as that is what he would have wanted.
