“ So many precious memories of Jean! We will always cherish our travels together including our great trip out West and several trips to the Smoky Mountains. We had so much fun together! Jean was such a great cook! Several times when we visited she served us delicious buffet style meals that included her home cooked brisket. She could cook a mean brisket! We loved their visits to our house where we laughed and enjoyed time together. Jean was such a sweet person, so dearly loved by our family, and we will all miss her so much. Jimmy and Jeanette
