“ I'm really going to miss my great Auntie Jeanette. I especially loved listening to stories about when she and Uncle met and their being sole mates. I asked her what made her think that and she said, "Because it gets better every day." She was especially helpful with issues about our adopted kids and we had the most uplifting talks. When I lived in San Antonio for work, she and Uncle invited me to her family party and made it home away from home. I already planned a visit for next month and I can't believe it yet that she won't be there. Love to the family, from Karen (Brenner).

“ I was her son Mikes very good friend growing up in Michigan. Mrs. Breza was always supportive and was an example to me of a kind and loving adult. Many years later, now that I have my own children, I look to how I remember Mrs. Breza and other role models to guide me on how to support my kids. This was a great gift that she gave me, and she will certainly be missed. My sincere condolences to Mike, his siblings, and the families.

“ To Frank, Jeff, Laura, Mike and their extended families.

Words cannot describe the sadness we feel in hearing of Jeanette's passing. A kind, gentle soul. We will always be grateful for having been touched by her love. Jeanette treated us like one of her own. We could talk about anything. She always had some wisdom to share, and willingly helped you with your troubles. I will always remember the wonderful way she laughed, especially when she wasn't expecting to! Her love for Frank was an amazing thing to watch. They were the finest example of a long lasting, loving marriage. I know that many friends and family will miss Jeanette so much. Turn to each other and those around you during this difficult time, both for laughter and tears. We love you All.
