

## Jeanine Crossman

June 20, 1936 - December 24, 2018

Jeanine Crossman passed peacefully on December 24 at age 82yrs. She was preceded in death by her mother Christianne Ruelland, her husband of 51 yrs. John S. Crossman and children Robert Means and Doris Meadows. She is survived by daughter Rebekah Crossman, step son Michael Crossman, and grandchildren Christina Meadows, Timothy Nissen, Erik and Alyssa Butler, Andrea Goodart and great granddaughter Alyssia.

Jeanine was born in Rennes, Brittany, France where she lived her early childhood during WWII then moved with her widowed mother to Casablanca, Morocco. She married there and had her first two children. Three years later she moved to the United States, and while she spoke little English she eagerly became a US citizen and sought employment. Jeanine was loved by all for her humility, grace and dignity. It was those qualities that brought her success as office manager of ProcerMex and above all as peacekeeper in her beloved family of blended cultures and backgrounds. Her great misfortune was the distance that kept her and her grandchildren in California from knowing one another, a great pain she lived with daily until the end of her life. Just last year, however, Christina and Timothy came to San Antonio and were able to finally meet and visit with their grandmother for the first time since their infancy. It's with immense grace that they both came once again from California to pay their respects to their grandmother and be with the remaining family.
