“ Fifty five years ago on my arrival to Myrtle Beach Air Force base I met Jeanne. I needed a place to stay and she welcomed me to live with her until I could find quarters. So it began. I was with her the night she found the love of her life and she became even more beautiful and more loving--if that were possible. Thanks Jeanne, for sharing, for being. I will never forget. “ My condolences to Jeanne's family. Although I only met her a few times when I visited with our mutual friend Colleen, I quickly came to admire Jeanne's quick wit and intelligence. I loved listening to her stories about the various locations where she was stationed. She will be missed by many. May she now rest in peace with her beloved Paul. Madonna Evans

“ Our deepest condolences to the Stone Family - Jeanne, like Paul, always supported our neighborhood community. She welcomed us about 14 years ago to the Aquanuts and always welcomed new members - monthly luncheons and summer water aerobics. Jeanne always was a joy and will be missed by many. Together, Jeanne and Paul gave much to our NWC community and to our country in their service to others. May she rest in peace!
