

## Jeannie Louise Horky

December 27, 1965 - October 29, 2025

Jeannie Louise Trevino Horky was born to Rudy and Juliet Trevino on December 27, 1965 in San Antonio, Texas, and joined her Lord on October 29, 2025 at home in San Antonio after a six year battle with breast cancer. Jeannie grew up with faith and family as the core values that she carried throughout her life. Jeannie earned two Bachelor's degrees during her college career, one in teaching at The University of Texas at San Antonio and the other in Marketing at Southwest Texas State University. Shortly after graduating, she married Ryder Horky in 1991.

Jeannie and Ryder made their home in San Antonio and raised three children with the same legacy of faith and family. Jeannie did anything and everything for those she cared for. With her knack for art and creativity, she created memorable decorations and class projects, blessing her children and their classmates with surprises that were a delight to all. As her children grew, Jeannie watched their sporting events, dance and music performances, and found immense joy in their accomplishments.

As a homemaker, Jeannie hosted events for her family and friends - Thanksgiving feasts that will never be matched; birthday parties full of decorations, food, and laughter, and in recent years, wedding and baby showers. Her home was filled with her creative gifts, and her generosity was boundless.

Travel was a pleasure that Jeannie enjoyed. Family vacations to Walt Disney World became cherished. She fell in love with Hawaii and went back as often

as she could. Even trips to Port Aransas were special. Either place, her favorite thing to do was sit on the beach, soak up the sun and read a book. Jeannie loved animals and the outdoors. Over the years, the pet family grew from one dog into a menagerie of animals rivaling that of a zoo. Her love of plants and flowers bloomed over the years and was a pleasing hobby.

Those who were blessed to know Jeannie will remember her big smile, infectious laughter and positive outlook. Although she left us too soon, we know God has a purpose for her and are thankful for the time we had. We take comfort in knowing we will be with her again one day.

Jeannie was preceded in death by her father, Rudy Trevino. She is survived by her mother, Juliet Trevino; brother, Brian Trevino (Lisa), her loving husband of 34 years, Ryder Horky; children Jacquelyne Molnar (Brandon), Ryan Horky (Lynette), Juliet Horky, and grandson River Horky.

Funeral service honoring Jeannie's life will be held on Thursday, November 6, 2025 at 10:00am at 20900 IH-10 W, San Antonio, TX, 78257 (Mission Burial Park North Dominion) with interment to immediately follow. “ *Jeannie was a kind and sweet individual. We met in Pep Squad at John Marshall High School. I remember sharing stories about our students when she taught in Lytle. Our paths crossed again when her daughters dance at Earle Cobb with my daughter. I will always remember Jeannie's smile and her laugh. May she rest in peace.*

“ My deepest condolences to your family. 💕💕

*Jeannie was such a beautiful soul, and I will deeply miss her. I was truly blessed to have known her not only as a client, but as a friend and her hairdresser. Over the years, I had the privilege of doing her hair and her girls' hair, and those moments were always filled with laughter, stories, and so much love. I knew exactly how she liked her hair, and I cherished the trust she placed in me.*

*She adored her children, and her love for y'all was always at the center of our conversations.*

*Jeannie's warmth, creativity, kindness, and generous spirit touched everyone around her. I will forever hold our conversations and memories close to my heart.*

*Sending you all love, strength, and prayers during this difficult time.*

*With love,
