“ *My heart and prayers go out to all as you grieve the loss of Aunt Jeanine. I know she'll be greatly missed, but smile as I picture that heavenly reunion. I can see her now fluttering around Kathleen and David as kids. Her sweet smile and soft laugh are what I remember most. When I ran to say goodbye I got the best hug, Such precious memories; till we meet again, Rest In Peace precious lady.*

“ *I love you grandma! Wish I could of held you more and said more to you on your last days. I loved and cared for you so so much. You were always there for me, as well as the family. You always made sure we all were taken care of, fed, and bathed, etc. I have so many good memories with you, from sitting at that dining room table and eating your delicious food to helping you hang up the laundry outside. You always had a certain way of doing things, and I loved every bit of it. You'll be missed so damn much grandma. I just wish I could go back in time and spend more time with you.. Just know your with Granddaddy now looking down on us, looking beautiful, with those beautiful red lipstick, your hair permed and your belly gone. May God bless you grandma. I love you for always!*

“ Aunt Jeannine was such a lovely lady, always so sweet and caring towards me as I was growing up... I will always remember her twinkling eyes when she would laugh and smile which was often... Each of you have my deepest sympathies and love...If I could, I would have made the trip to S.A. to share with you as you celebrate her life and legacy that will forever reside in each of you... All my love, Frances Wingate Durisseau
