“ Jeff was a great guy . He lived around the corner from me . Helped me when my dad was injured work on the car . He was my husband's best friend in high school and a groomsman in our wedding in 1984 this is a shock and we will always remember Jeff. They (Tracy cox , Wayne and Jeff) would ride their motorcycles together then they would stop by the drive-through at Wendy's just to get their supper and I would wait on him oh God I love them guys
