“ Jerry was very very special to me. He had the biggest heart and was always there for whoever needed him. A true family man who loved all His family very much. He talked of them everyday and was sooo proud of them. Especially Ciara and Jerry jr and Nathan . He was so thoughtful and caring and compassionate! Qualities that he had and then some. I loved talking to him and having drinks and meeting up for dinner. We ALWAYS had the BEST of conversations and so so many laughs. He's ONE of a kind!!! I'm missing him so much. We would text everyday and he always sent me a 🌹 . I remember when I bought him the cd from the doors. His favorite soBy was” love me two times”. He was sooooo excited and kept playing it over and over. I told Him he was gonna wear it out and those cds are hard to find. But I made it a point. To find it for him cause I knew he'd enjoy it. All His friends at the Caddilac club will miss him as well as I and we all Send our condolences to his family. We were very blessed and HONORED to know him as well as we did. He was family To all of us.Heaven has gained such a great man and I KNOW he will be watching over us!!!! He's that kind of man. Jerry , love you and miss you soooo much. Everyday I see a black truck and it reminds me of u!!! Ur everywhere , that's how much u touched my life and god put u in my path for. A reason. I wi Always carry you in my ❤️

“ Dear Rosie, Irma, Vicky, Jaime, our sweet Tia Marta, and Jerry’s children: Our deepest heartfelt condolences on the loss of your brother, your son, our cousin, Jerry, Jr., your father. We last saw him at our sibling’s funeral (Bernie) in January. I am glad we got to see each other and visit, even if only for a short while.

Jerry, Jr. always had a smile on his face. I am sure there were times that he did not feel like smiling (like most of us) but he radiated a glow that just made the rest of us join in and be happy to share the moment. Please take comfort that Jerry, Jr. is with his dad, Uncle Jerry (Sr.), his brother, Johnny, his cousin - Bernie, his Tio and Tia - Hilario and Fermi and, of course, the abuelas and abuelos and many other family and friends "en la vida eterna" ¿Qué más podriamos querer?

Blessings to you all.

With our sympathies and love, Stilita Vargas and family
