“ *As I'm sitting in Popo's chair, it is hard to believe that I will walk through this door and not see his beautiful face. There is no way possible for me to be able to share all of the wonderful memories we've had together Iver the past 18 years. Our trip to Hawaii with just Popo, Landon, Lacey, and me was priceless and will always live in my heart. Popo was my hero, my rock, my advisor, my father. I will miss our 2+ hour phone conversations. I love you, Popo. Thank you for loving me and your grandchildren.*

“ *I remember seeing how he looked at my Aunt Margie. They were play fussing, being smarties to each other, and he looked at her with so much adoration and love. Like she was his best friend.*

“ During our baileys and coffee sessions after Lodge Jerry would always remind me of the importance of going after what makes you happy as well as surrounding yourself with good and positive people. He was a great man and an even greater Mason. I'll miss you Bro. Dearth, you were one of my best friends and I'll never forget you.

“ One time me and popo went fishing at south side lions we were using marshmallows because popo did not want to touch worms of dead bait so we were there for 2 hours and we saw a bag floating and popo told me to see what's inside and get it out of the water, so i opened it and inside was a dead dog! And when i told popo what it was he couldn't stop laughing. (We did not catch any fish)

I love you popo
