

Jerry Limon

September 11, 1953 - December 21, 2012

Jerry Limon was born on September 11, 1953 and entered into eternal rest on December 21, 2012. Jerry is survived by his adoring wife Janette Limon; 3 sons Jerry, Jimmy and Paul; daughter Michelle; step-children Charles, April and Roland; 9 grandchildren and by his first wife Lydia. Jerry showed an astronomical amount of strength, will and determination against his battle with cancer. The family would like to express gratitude for the sincere professional care of Dr. Richard Newman, Dr. J. Brant Ellis, Dr. Steven Buckley, Dr. Robert Johnson, Dr. Karen Pape and the staff at Cancer Care Center of South Texas. Jerry is an inspiration to us all. He will be dearly missed and never forgotten. He was as strong as nails and inside had a heart of gold. Please no flowers.
