FAREWELL by Paul and Family

Farewell my bro. You will be dearly missed: not so much by the memories that

will stay with us but the things that could have been and we missed.
You touched our lives it seems like a moment, yet we are not the same from that moment and forever. It's difficult to see beyond the sorrow. If tears could build a stairway, and memories a lane, I would walk up to heaven and bring you back. Goodbye my bro.

For personal acknowledgement, please sign the online guestbook at www.missionparks.com in the Tributes section.
