November 29, 1967 - May 15, 2026

Jesse Quesada was called home to be with the Lord on Friday, May 15, 2026, at the blessed age of 58. He was born November 29, 1967, in San Antonio, TX to Gilberto and Margarita Quesada. He is reunited in heaven with his parents; son Jesse Ben Quesada; sisters Beatriz and Maria Guadalupe. He is loved and will be greatly missed by his wife of 35 years Sylvia Quesada; daughter Gabriella E. Quesada; sisters Gloria, Teresita, Patricia; brothers Gerardo and Hector; as well as extended family members and dear friends. He graduated from Thomas Jefferson High School before furthering his education to earn a bachelor's degree in business administration. A dedicated professional, he brought 30 years of expertise to the real estate industry and ultimately retired after a distinguished 35-year career with the City of San Antonio. He proudly served as a member in the Fourth Knights of Columbus. Jesse was exceptionally hard-working, motivated, energetic and determined. He tackled multiple marathons and loved all sports. He was fiercely loyal to both the Pittsburgh Steelers and the San Antonio Spurs. Jesse was a devoted husband, father, brother, and friend who lived his life guided by his deep Christian faith and unconditional love for his family. Gabriella was his greatest treasure. She brought him endless joy, whether he was coaching her on the softball field or rooting for her at dance recitals and dance competitions. Above all, Jesse deeply loved his family and friends, always willing to lend a helping hand or offer sound advice. Heaven has gained a treasured soul. He will live forever in our hearts.

“ I had the good fortune (although I didn't know it at the time) of having worked along with Jesse for over 30 years in the City's Public Works Dept. Thinking of him now, one thing comes to mind - “consideration” of others; Jesse always exhibited this awareness in his actions - regarding his professional life, his fellow workers, his Family & friends, his Life. He also had “all the angles covered”, everything important in Life had been thought over and accounted for - and this informed his decisions, in life & death. I will remember him and keep his Family in my thoughts. Victor Vasquez

“ Jesse and I met at Palo Alto College, he was my study buddy and got me through our shared class with an A and of course; Jesse got an A as well. He took a lot of slack from our instructor when he came in wearing his Steelers Jacket. Jesse would beam with pride for his team. He graciously included me and Roland into his life during a very trying time in my life. We were included and looked forward to dinners with Jesse and his family. My deepest condolences to his entire family. I will always think of him as my little brother and hope he and Roland meet in heaven. Rest in peace my dear friend.

“ I met Jesse when I worked for the City of San Antonio. He was a great coworker, friend and someone who always brought positivity wherever he went. Even after I left, we stayed in touch over the years.

Jesse was always optimistic, quick with a joke, and just an all-around good person to be around. We shared plenty of stories about our kids playing CYO sports, and we always talked sports ourselves, especially the Spurs and football. He was a proud Steelers fan, while I stood by the Cowboys, which led to plenty of friendly rivalry and taco bets over our games.

He will truly be missed. Rest in peace, my friend.

“ Jesse was one of the first people I met when I joined the City of San Antonio 15 years ago. We instantly hit it off and shared countless sports stories and swapped advice over many lunches throughout the years. Even after he retired, we would still grab lunch a few times each year. Those will always be wonderful memories for me. Jesse loved his family, the Spurs, and the Pittsburgh Steelers. He was always such an optimistic person. He always had a smile on his face, and he could always see the good in people. He will be missed by so many.

“ Jesse was the consummate San Antonio Spurs and Pittsburgh Steelers fan. He will be rooting for both from heaven. Jesse was also a dedicated husband and father. I met Jesse when he was a city employee with the City of San Antonio. He had a competitive spirit and personality. We shared lunch together on a daily basis for several years and played the daily jumble located in the San Antonio Express newspaper. He was a founding member of what we affectionately called, *The Jumble Group*. He is gone way too soon. May he be a beacon that shines light on those he loved.
