“ *I was stunned and saddened to hear of Chica's passing. Growing up we were neighbors and later in life we were coworkers. She was a great friend and like a sister to me. I will always remember her contagious laughter and smile. My deepest condolences to the family may you find peace and comfort during this difficult time in all her memories.*

“ Jessica was always loving and helpful person. I will always remember jessica as when we were just teens, she was always with a smile on her face. As we got older, I didn't see her as much. But everytime I was in Floresville, and would run into her. She always greeted me with hug and her fabulous smile. No matter how busy she may have been, we always spoke for a little while, catch up with each other and go our separate ways. And because of her genuine heart, she will continue to have a spot in mine. Rip Chica. 💔
