“ *Oh my sweet sweet baby girl. I am so going to miss you. Your smile would just light up a room. Your sense of humor would bring every one to joy. Your beautiful heart was always shown. “ *I will miss you so much. You were the closest thing I have to a big sister. I remember how you would pick on me just to mock me and see me run and tell on y'all. You would always laugh afterwards. "It's not funny." Lol. I wanted so much more time with you sister. There's a void and whole in my heart right now and it will always be there. There is no cure for this loss. I love you to the moon and back a trillion times My life will never be the same. I miss you so much already. Spread your wings and rejoice with our other loved ones you're with.*
