“ Jessica my dearest friend, I am so saddened to have lost you. I will forever cherish your friendship, remember your beautiful smile, and hold dear the memories we created through the years. You were definitely one of a kind, you were one of the strongest people I had the privilege of knowing, toughest player on the field, with the biggest heart. The last two years proved challenging, the news hit hard yet you never wavered, you remained optimistic, and always stayed true to your faith. You had the love and support from your family especially from “ your rock” your husband Albert and your son Felipe. She loved you both so much. Albert thank you for showing her unconditional Love, for being her best friend, and keeping her laughing. Felipe you were your moms greatest accomplishment, she will be eternally apart of you. I send you both my love, and know you are in my prayers and will always remain in my heart. Yoli, Rudy, Ruby and Vanessa thank you for sharing your beautiful daughter/sister, may the lord bring you comfort and may Jessicas loving memories forever remain in our hearts.

Clara and Patty, I love you girls:

“Those we hold closest to our hearts never truly leave us. They live on in the kindness they have shared and the love they brought into our lives.”
