TO

*A butterfly lights beside us like a sunbeam
And for a brief moment its glory
and beauty belong to our world
But then it flies again
And though we wish it could have stayed...
We feel lucky to have seen it.

*Am Always With You
When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me with too many tears,
But be thankful we had so many good years.
I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I traveled on alone.
So grieve for me a while, if grieve you must
Then let your grief be comforted by trust
That it is only for a while that we must part,
So treasure the memories within your heart.
I won't be far away for life goes on.
And if you need me, call and I will come.
Though you can't see or touch me, I will be near
And if you listen with your heart, you'll hear
All my love around you soft and clear
And then, when you come this way alone,
I'll greet you with a smile and a "Welcome Home". Author unknown

So much love shown for Jessica today, which says a lot about the lives she touched and the love shared by many. May we rejoice to know she is resting with the Lord and pray that He comfort those left behind who miss her dearly.

With loving thoughts,
