“ Gilbert, Edward, Phillip and Jesse and families, sometimes there are no words for the feelings in our hearts and the sadness that we feel, but we pray that the wonderful memories of Tio Jesus' love comfort you. My childhood days were always spent around my Tio, Tia and my cousin's, he was that uncle that everyone wished they had, loving, funny and a the most cheerful person that would always bring a smiles to your face. We ask God to sustain each and every one of you during this difficult time. We are so sorry for your loss and may it console you to know we are thinking of you, and praying that God blesses you with courage to bear the sorrow that now fills your heart.

“ May god bless him, my deepest sympathy to the entire family. Such a kind, loving and generous man are the first things that come to mind. In the short periods of time that we spent with him during our summer vacations as kids in San Antonio he made memories that will never be forgotten. My only regret is that I did have a chance to know him better.

“ There are no words to express the sadness in my heart. What I can say is my Tio was a blessing in all our lives. I'm proud he was my Uncle, especially when he would recall and tell us his Army stories about WWII. Since our families grew up next door to each other, I was lucky to see him everyday as a kid. He had many talents, like my Dad, my Tio taught us a lot, like fixing and building things. He gave of his time and love of family. His sense of humor and his laugh was contagious. He will always be in our hearts and forever in our memory. We'll always remember you and We Love You Tio Chuy.
