“ I remember Jesse from High School. He had many friends & always had a smile on his face. He loved to dance and joke around. He told me about his children and that he loved them the last time I spoke with him. i think he was working in Oklahoma at that time. I saw him again after many years at a class reunion of 1970 Lanier graduates. I saw him from a distance as he walked in. At first i didn't recognize him because he was wearing a hat. I didn't get to say hello because I lost sight of him. Time gets away from us so quickly. There were no more reunions after that, so I never saw him again. Remember the good memories for they will outweigh the bad moments. My deepest sympathy to all of the Juarez family. Ricky, I know you were close to Jesse, Pete, and Gilbert when I met you. My prayer is that you remained close to Jesse as the years passed and that you have good memories of those times. I hope that you also remained close to Pete & Gilbert, having someone to share memories with helps. May God's presence, love and peace be with the Juarez family.

“ *My beloved friend thank you for all the memories all the years of sharing that we did together watching her children and grandchildren grow up. Taking Bible classes together, you have so much love and faith for our Lord Jesus Christ. There are so many beautiful memories Oklahoma, Corpus Christi, laughing and dancing. I really am lost without you. I miss our everyday talks and texting with daily, morning and night blessings on one another and our families.*

For God so loved the world that he gave his only begotten son that whoever believes in him should not perish but have eternal life. My prayers and love always.

“ I will Miss you My Great Friend ! I still can't believe it!
We went through some Good and Bad times .
I will Always remember the Many Great Times and Moments we
had at Kelly Air Force Base, and the Not so Good times when We
had to Up root ourselves from San Antonio due to the Base Closure
!!
But .! You always seem to make the best of it regardless , whether
we were in Oklahoma or Corpus Christi ..
May the Lord have You in His Arms In Heaven .
I will See you One day Soon.. !

“ It is with great saddness that my family will have to say goodbye to
such a great man. Jesse was one of a kind and was like family to
us. He would watch Jojo ride his bike and loved to talk about
wrestling with him. Jojo loved his "grandpa Jesse". Jesse was very
supportive of so many things that our family went through and we
will forever be grateful for his companionship to my mom. She
misses him so much. I thank you for sharing him with us. He will be
greatly missed. You are forever in our prayers.
