“ I pray the Lord Jesus has you in His Heaven,resting from all the work you did all your life,you were such a hard worker, and I was always proud of you for that,

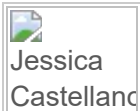

Rest my brother,Love you, I won't be able to say" I'm going to call my brother to see how he's doing". But I'll ask Jesus to watch over you.So you're in good hands.

“ My Tio Jesse I can not believe that you are gone. You always took care of us especially me, I always considered you my father because you were the one that was always there when I needed anything. Its been a few years since we last saw each other and I am so sorry for that but I never stopped thinking about your or stopped loving you. I know you are in heaven in good health and enjoying yourself and I will see you one day. I love you, your Cookie.
