“ When I look back on all the wonderful people I have met in our organization, I will always immediately remember our friend Jesse Rodriguez. Always gentle and kind to everyone, he became like family to all of us. He dedicated over 40 years to Cavender family employment rising through many ranks. He worked well and was a close personal friend to my grandfather Big Jim Cavender...and he continued to work as a loyal employee and friend to my Dad Jimmy Cavender.

It was a very sad day when we lost Cleo...but I was always very happy to see him later with Mary Villemain...two who loved and lost their spouses. I loved seeing them at O'Briens in Bergheim when my band would perform! I would always send out "You Were Always on my Mind" to them...as a special request.

God Bless All in the Rodriguez Family and Our deepest condolences, thoughts and prayers are with you now.
