“ I first met and admired Mr. Armstrong upon moving to the Kingsborough area in 3rd grade. He made me feel very welcome and I admired him and my fifth grade teacher, his best friend, Mr. Metke. Both gentlemen had made a powerful impact on my future and strive for education.

Some years later, I met Mr. Armstrong again while attending Southeast Baptist Church. Upon transferring my membership to Brookhill Baptist, he followed me and my husband the new Pastor. He was always commending us on doing God's work. He and I loved talking about our various travels and cruises.

I invited him to join our Bill Miller Buddies Coffee club where we continued our friendship and fellowship with other seniors. We played games, had fun, and celebrated our birthdays together. Our Buddies are meeting this Saturday and I will be adding Mr. Armstrong's name to the plaque at Bill Millers in honor of our lost buddies.

It's time for him to be with his Jesus, just as we all will be someday. I will never forget our friendship, memories are forever...
