“ *Jim was a fine police officer who helped me tremendously as I worked as SAPD Communications Lieutenant. I had no experience there and he was a key reason I survived! Remember well when we shared personal stories also. Rest in peace, old friend.*

“ Jim was my Uncle. My mother, Eugenia Edge Young, was his wife's sister. I only saw Uncle Jim a couple times in person but the last couple years he had connected with me through Facebook and messenger. He enjoyed some photos my mother had saved from his and Dot's youth and his Officer career. Our contact was brief but cherished. He was always kind and humorous during our brief chats. I wish him and all his family and friends peace and comfort. My love to all.
