“ *I remember the time i twisted my ankle during athletics class. The coach called you and you entered the school and lifted me up in your arms without hesitation and carried me to the car. I was 13 yrs old. You will always be my hero . Love you always.*

“ I will always remember the days Grandpa would take care of us before we started school. He would grab us a loaf of white bread and a can of potted-meat and take us to Espada park to have lunch and play. Later he would take us to get ice cream sandwiches, always grabbing 3 because they were 3 for a dollar. Great memories I will always hold dear.
