

Jimmy J. Massey

April 20, 1949 - March 30, 2021

Jimmy J. Massey passed from this life to his eternal reward on March 30, 2021 at 6:04 pm. Jimmy was born April 20, 1949 at Uvalde Memorial Hospital to Jimmie and Verdis Massey of Regan Wells.

Jimmy Massey was preceded in death by his father, Jimmie Massey; his mother, Verdis Massey and son, Jimmy the 4th. Jimmy is survived by his wife, Shirley Massey of the home; their children, Tammy Massey and husband Brandon of San Antonio, Michelle Burkett and husband David of Boerne, twin sons Josh Massey and Joel Massey and wife Joy of Carlsbad New Mexico. Also George and Jacqueline Piazzzi of San Antonio, Frank and Jill Piazzzi of San Antonio and Robert F. Piazzzi Jr. of San Antonio. He is also survived by his sister, Sissy Mehaffey and husband Jim Mehaffey of Mountainburg Arkansas and last by not least 30 grandchildren and 7 great grandchildren with one on the way and we cannot forget Jimmy's dog Tiny.

Jimmy was a person of many skills, first and foremost he loved to pick on his grandchildren and anyone else as he wasn't picky if he could pick on someone that's where you could find him. Jimmy was in the army and serviced our country proudly. He was an avid hunter and fisherman of fresh and saltwater fishing. He loved all 3 and was in his element doing these. If you went hunting with him he would get a deer, if you went fishing he caught fish even if you were in the same boat six feet apart and he would let you know

who caught the most.

Jimmy worked at SMI which is now called CMC for 32 years in maintenance where he had many friends who he worked with. Most of all he loved his family and took time to help and who needed him. His life will impact each of them as also his friends for years to come.

“ I just found out today(5/8/21) that Jimmy had passed. I am so glad that I was able to talk to him a couple of months ago. I worked with Jimmy at CMC for many years. I have to say of all the Maintenance foreman that I worked with he and his crew were the best crew I worked with. I was in training & was assigned to rotate and work with each of the 4 shift crews. My time with him and his crew was the most memorable time I had of my career. Jimmy was always fun to be around and he was very production minded. He kept the process running and at times he came up with novel and sometimes ingenious ways to keep things running. He knew what was important. He also treated his crew with respect and knew when to go easy on them after a week of hell on shift. He wasn't perfect, but he was deep down a good man and entirely fun to be around and drink a beer with. I will miss him and will remember him always. With deep respect I hope I can meet him again on the other side.
