

Jo Ann Rearden Galbraith

June 17, 1959 - January 7, 2019

Jo Ann Galbraith (Bain) peacefully left this world to be with our Lord on January 7, 2019 at her home in Saint Hedwig, Texas. She was born in San Antonio Texas on June 17th, 1959 and passed away at 59 years of age. She is preceded by her parents Billy and Barbara Bain, son Jack Rearden Jr. (Bubba), husbands Jack Rearden Sr. and James Galbraith Sr., step-son James "Rusty" Galbraith Jr. and sister Linda Mc Cartney.

She is lovingly remembered and survived by her daughter Roxanne Badillo, or "Roc" as she called her, and husband Rusty Badillo. Big Brother Glen Bain and wife Kathy Bain, brothers Billy Bain Jr. and Michael Bain and "baby sister" Nancy Bain. Step-children Vanessa Henley and husband DJ Henley, Terry Galbraith, Billy Galbraith and fiancé Georgianna Jannise. Her beloved grandchildren Zachary Rearden, Logan Ransleben, Ryder Badillo and Nikki Henley as well as great grandchildren Layne Paul Long, James, Madilyn and Leslie Galbraith and one on the way. Numerous nieces, nephews, cousins and extended family including many whom she considered her own adopted children. Last but not least, her furry children Jersy and Jimmy.

Jo Ann was a special lady who lived a full life in her short time here on earth. She had so much love for her children, family, friends and never met a stranger. In her words "my grandchildren are my heart" and they knew it and loved their Mema. Her energy was contagious and her "Spunk" unmatched. She would say "Sometimes my mouth and brain work at the same time" and for those who knew her well that was the truth and what made her unique.

She had such a giving heart and passion to take care of everyone and for this she was “Mom” to many. The Lord called Jo Ann home too early for those of us left here on earth but she carried her faith along with her and left behind this message to the rest of us, “I’m not in pain, I’m not scared, I don’t want you to feel bad. I want all of you to unite and love one another and surround each other at this time and look after each other. As long as I am a flicker in your hearts you know I am always around”.

“ You made me feel important and loved as a kid and as an adult. Like i was someone special. I will never forget you coming down Mary Helen to my house in the old brown van filled with kids. Some of them yours and any you adopted for the day. You always made me smile. Even when we spent time with you recently and told us how serious your health problems were you still managed to make us laugh. For someone who had went through so much in life but wasnt bitter or angry or asking why me. For that it was my privilege to be a part of your story. A story that doesn't end here. You are a part of my past but you will be a part of my future as well. Rest well until we meet again. Tell everyone i miss them.

“ JoAnn and I met in the early 90's. I was single with son and daughter and so was she with son and daughter. We had so much fun at the dragway. We rode in the fourwheel drive club and her brother's big yellow four wheel monster truck. We went to all of bubba's baseball games and our kids went to East Central. We laughed so hard and stayed up many a times listening to each other crazy stories. I will always love her rest in peace friend.
