“ I can remember mom picking us up at school (St Mary Magdalene) stopping at Handy Andy to see her best friend Joan. She was a very talented cake decorator who loved to visit with mom at any cost. They would talk for what seemed to be hours; laughing and carrying-on as if they had not seen each other in years. Mom smiled all the way home! Precious memories.

*It's been a long time, late 60s, since I have seen Joan. But I remember her and her infectious smile and her laughter. It was a joy to have known her. May she rest in peace. Praying for the family and may they be comforted with peace knowing that their mom is no longer in pain but with our glorious Father... Angel in heaven. God bless you all.*
