“ For 19 years, I spent almost every Monday night with Joan. We watched tv, drank some wine, and shared so many stories with each other. We shared many birthday dinners together (her, mine and her grandson's). She was like my "second mom". I travelled to Branson with Joan and her sister one time and we laughed the whole time. She was a kind, generous and fun lady and a great next door neighbor. I will miss my friend greatly! My sincere condolences to all the loved ones and friends she left behind.

“ Man, I have so many memories of Aunt Joan. She was the best! Once when I came to visit the grandparents she and Uncle Ron were there and she grabbed me and said let's go look around! We made this journey back in time of where she grew up, went to her old school and all the good places to eat! We stopped at this hole in the wall shop that looked like it was going to fall down if u blew on it. She said trust me! It turned out to be a sub place, but not like Subway, it was a deli that had everything and everything fresh! It was the best sub sandwich I have ever had! Still today nothing comes close to that sandwich! I remember looking at her with my mouth wide open after the first bite and she smile and said Told you! She truly was a special lady! Great listener and always had great advise. All my love and prayers to her entire family! I love u Aunt Joan! Dee

“ *Grandma Joan, I will miss our conversations about the Longhorns, Cowboys, and Spurs. Or hearing about your trips to the beach with your girlfriends and bridge games. I will miss hearing your voice answering the phone. Thank you for being there to listen and being a voice of reassurance. I cherish everything you've given, I am forever grateful. I love you with all my heart and soul. Rest in paradise Grandma.*
