“ Mrs Schmitz, as i knew her as friend of Nancy's growing up, was the most welcoming and warm of mom's. Her house was always open with snacks and smiles included. I admired how positive and kind she was to everyone. At the same time she was protective of all of us youngsters and expected kindness and good behavior of others. My heart goes out to the family at this time of grief and remembrance.

“ Joan was a lovely, gracious and talented lady. She touched so many lives over the years by sharing her talent of calligraphy by teaching classes and showing others her gift. She often added her special touch to certificates and awards for others. She will be missed.

“ We've shared loving our children and grandchildren together. And we shared sorrows together. She loved Dr. Charles Stanley as Grandma C did. What an honor it is to have known a wonderful Christian woman like Joan. The Cook Sr. Family

“ Joan was like a second mother to me and I probably spent half my time at their house playing with my childhood friends Alisa and Nancy as well as many other neighborhood friends. I will always cherish those memories of the most sweetest and caring person I've ever known.
