

Joann Soliz

July 22, 1974 - August 25, 2018

Our beloved Joann Soliz became our angel from Heaven on Saturday August 25th, 2018 shortly after 9 am. Joann was born July 22nd, 1974 in Vietnam. Everyone that had the honor and pleasure of knowing Joann and even spend one second with her knew that this young lady was truly special. Joann was a person that would be there for anyone on any given day. Always thinking of others before herself. Joann was a very hardworking lady and had passion for selling furniture, loved to scroll on her phone at night looking at homes, she loved her purses and spending time with friends and family. She was truly the life of the party. Joann did something special for each one of us. Let's all remember her beautiful smile, her attitude, and her energy. Joann thanks you for showing us the true meaning of love, you will truly be missed until we meet again. Rest in peace our beautiful Joann.

“ I met Joann through her work a few years ago and would stop in and say hello. She was a wonderful human being -- warm, friendly and professional. I will truly miss her. I considered her a good friend. Many prayers for her family and partner and his daughter.

“ Joann made an impact on me with her fun, positive nature and dedication to her work. We were work friends and didn't know each other that well. I know now that God put Joann here for a reason! I pray that she can Rest In Peace knowing that she was loved and that her family and coworkers and everyone can find peace and faith in this time of pain. RIP beautiful Joann! Thank you for the smiles!

I am so intrigued with her life. May I ask how she was taken from earth? I would like to pay my respects and wait for obituary. Many prayers to all the family. I saw her picture in Sunday's paper placed by Copenhagen.

“ I'm shocked and saddened to learn of JoAnns passing. I worked with her at Chase years ago and we caught up with each other on FB awhile back. She was such a fun, sweet and truly genuine person. Just as beautiful on the inside as she was on the outside. My sincerest condolences to her family and friends.

“ I met JoAnn 14 years ago. She's genuine, witty, so quick to laugh, and just so much fun. In such a clean and sleek store, she was the person that made everything feel cozy like home. We saw her Wednesday buying some additional things from her. We were treated with a laugh, huge hug, and got to spend some time with her. We are honored to have have things in our home from JoAnn, and we will cherish those in her memory. She was a truly genuine and awesome person. We are so sorry to the family for your loss. She was incredible. The Wells family.

“ How I honored I feel to have been able to call JoAnn my friend. She was always there to give me advice when needed, a shoulder to cry on I needed to cry and a smile to reassure me that everything would be ok. I can only hope I was half the friend to her that she was to me. I had just started with Copenhagen the December JoAnn and Jesus got engaged. I came into work and asked Jesus how his Christmas was and he broke out in the biggest smile and said "I got engaged". The look on his face was filled with love and pride that JoAnn agreed to be his person. I thought to myself then, and every day since, what a special couple they are and how awesome it is that two genuinely lovely people found each other. Along with Zinnia, they were an awesome family that made every life they touched better for having know them. I am devastated for Jesus, Zinnia and all of their family. I am here if you need anything and I will forever be grateful to have had JoAnn in my life. The sunshine and love she brought to our lives will be missed forever.

“ It was obvious to me the moment I met Joann how special she was. Not only was she with Jesus and his daughter, but her personality was just one of those you don't find often enough in this world. So cheerful and upbeat and easy to talk to. Sometimes, when you meet someone for the first time, there can be that awkward moment where your not sure if you should just say goodbye, shake hands, or hug. With Joann you knew without doubt a hug was the right way to say goodbye for now.

You will be so missed by so many.

“ I have had the pleasure working with Joann for the entire time she worked for Copenhagen. She was loved by all and will be missed. Her sense of humor, her cheerfulness and her job knowledge are some of her greatest attributes. She was a friend to all who met her. “ *I've worked with JoAnn for almost 4 years. I looked up to her and admired her ambition and work ethic. She was warm, loving, caring and genuine. We became great friends over the years, We talked about everything and she gave great advice. I loved going into work knowing she was going to be there. Things are not going to be the same without her. I will miss my friend so much and I'm praying for Jesus & Z who she loved so much.*
