

Joanne Elizabeth Bosse de Melgosa

February 6, 1952 - August 25, 2024

Joanne Elizabeth Bosse de Melgosa was called home by the Lord the afternoon of Sunday, August 25, 2024 at the age of 72.

She was born to Clarence and Marjorie (Puckett) Bosse on February 6, 1952. Growing up, she was a founding member of Hope Lutheran Church and would hold on to her faith the rest of her life. She enjoyed regular road trips with her family and would reminisce on them fondly. She was an avid horseback rider from a young age and played the flute from childhood. She was an alumni of Holmes High School and was part of the concert marching band. She went on to attend Texas Lutheran College and graduated with her Masters in Occupational Therapy from Texas Woman's University and would go on to practice in multiple hospitals for the next 42 years. Her dedication to occupational therapy helped many gain the physical skills to return to their lives without being further impeded by their ailments.

Joanne met her husband, Steven, while working as an OT and they married in 1985. She would then become a mother to two daughters whom she enjoyed spending time with and shared her love of Christ and music. Both daughters attended church with her and went on to also play instruments like their mother. In addition to horseback riding, Joanne loved other animals - her

favorite being Schnopps, her dog. In her spare time, she loved sewing, knitting and quilting for her loved ones. She was an avid gardener and enjoyed spending time in her yard with a cup of tea, a good book, and the family dog nearby.

Joanne was a devoted wife, mother and sister and will be missed dearly. She is survived by her beloved husband Steven Melgosa; her daughters Sabina Melgosa; Robin Melgosa, husband Haris Khan; and her sister Katherine Walters, husband Jeff Walters. Visitation will be at Zion Lutheran Church in Helotes on Friday, September 6th, 2024 at 11:00AM with a service at noon.

We would like to thank all who touched her life in the time that she had with us.

“ *My beautiful Aunt, Joanne. You taught myself how to appreciate the things in life that matter most...like family time, having faith, a story before bedtime, music & arts, gardening, trying new things, and being kind to all. You were the only aunt who cared about my accomplishments and supported me 100%. I miss you alot and wish I had more time with you.*

My deepest condolences to her daughters, her husband, her sister, friends, and rest of family. She will forever be missed. ❤️
