“ I worked with Jodie for many years at SWBT and have many good memories. I saw Jodie approximately one year ago and he seemed to be content with his life, had a positive attitude and still, as always, working hard. I will miss him. God bless you, Jodie!

“ *My memories of Jodie run the gamut. We had our differences but he was consistently optimistic. It was like he never lost the ability to enjoy his life. So, no matter what one thought about his adventures, Jodie was going to have fun. I remember vivid!*
