“ Amy,
It deeply saddens me that Joe is no longer with us. He was such a bright, helpful, friendly, and talkative man. He was very good to our family and we are very appreciative of that. We will always keep Joe alive as he will exist in our hearts

“ *I used to work at Country Home with Christie. Christie, you are such a wonderful person, I remember how close you were to your father. I remember your father and uncle would drive the vans during the summer to take the teachers and children on field trips*
