“ *My earliest memories go back 35 years when Joe and his Family became our neighbors on Winlock Dr. Little did I know that this was the beginning of a lasting friendship. Joe was there not only to repair the airconditioners and heaters, he also helped with many pinatas and brought the kids together for many parties and events. He was always available when we needed him, unconditionally. We could not have asked for a more loyal and devoted friend! "Joe, you will always be in our hearts, we love you and we will certainly miss you!"*

Love you Dad! You were my support, my male figure I grew up with... the Man I looked up to! Thank you for always being there for me ... you took me in as one of your own and I've always loved and appreciated you for that! You were my Dad.... and Sofie and Maximilian will miss their Grandpa Joe every day.... especially Sunday weekly chats/FaceTime from all the way up here in Virginia. Life will never be the same without you! Thank you for showing me love and what a Dad really means to be!

We will never stop loving you, Sabine, Sofie and Maximilian.

I did not have the pleasure of meeting Joe, but have a strong sense of the man he was through those who knew and loved him. Their stories of his big heart and the care he showed to them throughout his life speak volumes about his character and values. He's will be missed here on earth but no doubt will be welcomed beyond by those he loves and who love him in return.
