“ *Uncle Joe,
I know I shouldn't be sad because I know you are in a much better place but my mind still resorts to thinking about you. You were so much fun. Everything about you was noteworthy. From the way you took care of your dog Elmo, to the way you make people laugh to the way you treated people. Sometimes I wish things were different and I could still have you here but parting this world was your victory so for that I am glad. Love you, Uncle Joe. Thank you for all your craziness :)*

“ *Bub,
We miss you dearly! You left us with so many good memories that all we can do is reminisce. We start to cry because your not here anymore to bbq and listen to tejano music with and then we end up laughing because those were the good times! Roro, Jerek and especially Johnny and Jordan will always remember spending time playing at their Uncle Joe's! You will always hold a special part in our hearts!*

Love always Ro, Lisa & all the kids!
