“ I was searching for a current obituary and saw this. I see that Mr. Glawson passed in 2019. But my husband & I were just reminiscing about the Mr. Glawson and remembering when we were on a bowling team with him in the late 70's or early 80's before we started having children. We were newly married and he was so kind and helpful. We often wondered what happened to him. We moved from that area of town 28 years ago. My husband and I are 63 & 64 now and were just speaking of him the other day. Nice to see he had a very long life. My grandparents are buried at Mission North. God bless the Glawson legacy and children and grandchildren. My mom just turned 90 and I feel blessed to still have her. Marcie & Bill Meloni

“ Unbelievable man. Was so fortunate to be able to travel with him to Washington D.C., Normandy, Bastogne (Hurtgen Forest) and New Orleans. As a fellow Infantryman, I am honored to have known and friended Joe. Our world lost not just a hero, but an amazing human being.

“ Joe was one of the most honorable & decent men ever to walk on earth. He was a true American role model in all endeavors from Family Man to Soldier. Joe, as a charter member of the greatest generation, saved the world from the greatest tyranny the world had ever known. Our Nation has lost a true American Hero. We love you Joe!

“ As a friend of Joe's son, I knew him for over 50 years. In all that time, I can't remember him ever raising his voice in anger. Lord knows we gave him plenty of chances to do so, but he was always a mellow person. I'll always remember him for that, his warm smile, and firm handshake.

“ Joe had a smile that lit up a room and made his eyes twinkle. And when he hugged you, you knew you were loved. I will carry his memory in my heart from here on. Rest in peace and enjoy being with Wanda again!
